**Schedule**

We plan to open the Conference at 9.00 am, Monday, April 21, 2008 and close the conference at 7 pm, Friday, April 25, 2008.

The participants are expected to arrive at Będlewo on Sunday afternoon, April 20, 2008. The reception dinner is planned on Sunday at 7 pm. Departure from Będlewo is planned on Saturday morning, April 26, 2008 (after breakfast).

A preliminary program of the Conference is available on the LinStat 2008 homepage.

We will arrange several social activities for all participants including a conference dinner, concerts, get-together events, and excursion.

Please let us know the exact date, time and place of your arrival if you want to be picked up from the Poznań airport or railway station to Będlewo by mini-bus. The distance between Będlewo and Poznań is about 25 km. You can also reach Będlewo from Poznań by taxi. The estimated cost is 120 Polish zloties (1 Euro is about 3.5 Polish zloties).

**Special Session**

We will organize within LinStat 2008 Conference the special sessions dedicated to Prof. Tadeusz Caliński. This session is planned on Tuesday, April 22, 2008, in the afternoon. Your possible contributions to this session are welcome. Congratulations and greetings to Prof. Caliński are provided during the Special Dinner.

**Young Scientists Awards**

The work of young scientists has a special position in the LinStat'08 to encourage and promote them. The best poster as well as the best talk will be chosen. Prizes will be awarded to graduate students or scientists with a recently completed Ph.D. Prize-winning works will be widely publicized and promoted by the conference.

**Presentation and Internet Facilities**

In the Conference Center the multimedia projector is available. If you want to use it, we prefer presentations in PDF format.

If you prepare poster you can use one or more sheets in the size 100x70cm or several A3 sheets.

Wireless internet is available on site.

**Call for papers**

We are pleased to announce a special issue of Statistical Papers devoted to LinStat'08. It will include selected papers strongly correlated to the talks of the conference. All papers submitted must meet the publication standards of Statistical Papers and will be subject to normal refereeing procedure.

The deadline for submission of papers is the end of September, 2008.
